INTRODUCTION

I'm Louange, a driven and enthusiastic person with a deep affection for people, particularly young people. With my background in group coordination, communication, and teamwork, I offer a special blend of creativity, leadership, and accountability. Speaking French and English well, I like planning events that unite people, whether it be via meaningful dialogue, sports, the arts, or music. I always try to create a safe, welcoming, and happy environment, and I am also knowledgeable about basic first aid and safety procedures. I think my upbeat outlook, spiritual foundation, and cross-cultural interpersonal skills make me an excellent camp counsellor.
