INTRODUCTION

I am an enthusiastic and dynamic educator with over seven years of experience in youth development, STEM education, and facilitating engaging, hands-on learning experiences. Through my work at Code With Kids, I have successfully designed and led various outdoor activities, fostering creativity and empowering children in fun, interactive environments. I am passionate about using my leadership skills to support and inspire young learners. As a camp counselor, I look forward to sharing my experience, embracing new cultures, and learning from others in the U.S. while positively impacting children's lives.
